

What is the Hike for Life?

This annual event is created to financially support the Pro-Life message and to promote its awareness in the community. This also funds Elsie's House, our maternity home for women in need. It is our only fundraiser of the year! Please join us by walking with your family or a walking buddy. If you cannot walk, sponsor a friend or family member. Donate online on our website: <https://www.lifelethbridge.org/hikeforlife>, online at <https://canadahelps.org/en>, E-transfer to lethprolife@gmail.com (please email details as well) or send your donation in the mail!

The Pro-Life Message

To defend the defenseless, to speak for those without a voice and to live knowing all life, unborn and born, is precious. In Canada, unborn children have no legal protection, so abortion is technically legal up to the moment of birth. Informed consent is not mandatory in the case of abortion. The law does not require that women and men be informed of the physical and emotional risks of abortion or the development of their baby before an abortion. Canadians today face new challenges with the legality of doctor assisted suicide. Lethbridge Pro-Life believes that the right to life is a basic human right, do you? Help us create a culture that recognizes that all life is worth living and deserves protection.

Lethbridge & District Pro-Life Association wishes to thank all hikers and sponsors for your contribution to protecting the lives of the vulnerable.

Pledges

Use the form on the next page to track your sponsors and donations. If possible, collect pledge money as you sign up sponsors. Then, bring the funds and your pledge form to the donation table on Saturday, May 31. The Hike for Life will proceed rain or shine!

Too busy the day of the walk, but still want to participate? No problem! Walk your chosen distance at a convenient time, then mail in your pledge form and funds to our office, E-transfer to lethprolife@gmail.com (please email donor details as well), or send your funds through Canada Helps (link: <https://www.lifelethbridge.org/hikeforlife> click the "Donate Now" button).

Join our extended family and celebrate life with a lunch to follow the Hike. Kids will enjoy balloons and games! Don't miss out on prizes for all ages! Ask friends, family and colleagues to sponsor you. Together, we can help Lethbridge Pro-Life continue ongoing programs to educate on life issues around Southern Alberta and to help fund Elsie's House.

Elsie's House—a compassionate response to pregnant women and new moms that find themselves in challenging life circumstances. Please visit the **Elsie's House** website for more information:

<https://www.lifelethbridge.org/elsieshouse>

By supporting Lethbridge Pro-Life, you are supporting Elsie's House!

We thank you for your support!

Lethbridge & District Pro-Life Association does not receive any ongoing government funding, but as a charitable organization relies on private donations only. We hope to raise an estimated \$60,000 from our annual Hike For Life, at a cost of \$8000. All funds are used to promote life education in Southern Alberta, to fund Elsie's House, our maternity home for women, and to be a voice for the unborn, the elderly and those with disabilities.
